

An abundance of resources and on-going support in preparing and recording your wishes

- **End of Life Planning Pack** - Hard copy or digital pack with forms to record your wishes and things that people need to know, along with an abundance of information on all the paperwork (both legal and otherwise) that is required in the lead up to and after your death
- **Online Programme** - 8 videos with Beverley offering a step by step guide on all aspects of recording your plans and inspiration to do so
- **1:1 Consultations with Beverley** - In person, online or telephone support to keep you motivated and get the job done
- **Discussion Cards** - To help start conversations about your wishes
- **Workshops** - Presented by Beverley in her unique lighthearted way (*Get a group of 6 or more together and you attend the day for free*)
- **Regular meet ups** - 1 hour meetings for topical conversation and questions. Hosted on zoom **FREE to attend** and open to all
- **FREE 15 minute consultation** - Email or call Beverley to book

Bringing simplicity and ease to the process of making and documenting your plans, so that you can get on with living your life
